Will Hear Violations Tomorrow

Hearings on the accused violations of the campus advertising code will be held at the Student Court's meeting tomorrow at 3:30 p.m. in the Student Union.

If the accused organizations, Alpha Phi Omega, Social Affairs committee and the Class of '57, plead guilty, sentence will be passed. If they plead not guilty, a date for the trial will be set.

No written request for indictment of the California Student Teachers Assn. has been turned in to the court, said Don Atkinson, prosecuting attorney, Friday.

"However, one probably will be turned in before the court meets," said Atkinson.

Yates Shatters Pool Records

Two local swim records were broken Friday afternoon in the Spartan pool by distance swimmer Carl Yates. Yates shattered the former pool mark for the 1500 meters of Cal Poly's Larry Neufeld of 21:04.1 and the college mark of 21:08.8 held by SJS's Rod Lundquist, as he swam the distance in 20:31.7.

Carl finished strong, and was clocked at 5:22 for the first 440 yards, and 10:57 at the completion of 880 yards. When he completed 1320 yards in 16:41, it became a question of by how much the record would be broken.

Yates, a junior transfer student from Miami, Fla., a candidate for this year's Spartan varsity swim team, appears a cinch to make it. Carl swam against the clock and this is the toughest way to set a record, as there is no way of pacing oneself, as there is in competition.

Broken down, in order to swim 1500 meters on the Spartan pool, Yates had to travel 65 lengths, 15 yards, one foot, six inches.

Public Relations

All students interested in having a hand in supervising SJS information released to newspapers should attend the 3:30 p.m. meeting tomorrow of the Public Relations committee in the Student Union, according to Vern Perry.

Solons Propose New State Colleges

SACRAMENTO (UP)—Among bills introduced in the Legislature Friday are:

A bill creating Sonoma State College to be located near Santa Rosa, introduced by Sen. F. Presley Abshire (R. Geyserville).

A bill creating a state college in Amador County.

A bill bringing all public employees, including teachers, under social security.

A bill to "remove any obstacles" from financing the southern crossing of San Francisco Bay.

ATOMIC POWER

WASHINGTON (NU)—Russia, claiming to be ahead in the development of atomic industrial power, said Friday she will share her knowledge with the rest of the world.

A brief announcement issued in Moscow said a report on Soviet operation of atomic-powered industrial plants will be made public before a United Nations-sponsored conference on peaceful use of the atom scheduled to be held later this year.

Prom Committee Plans To Sign Contract with Club Wednesday

A contract, naming Castlewood Country Club as the site for the Junior Class Prom, will be signed at the club Wednesday by Prom committee members, according to Jim Morley, spokesman for the group.

Journeying to Castlewood with Don Abinante and Audrey Fleming, co-chairmen, will be members Aileen Sherry, Rosemarie Pedone and Jim Morley.

The group will explain pertinent college rules governing the dance to the club management and the agreement is slated to be signed at 3:30 p.m.

Several specialty acts are under consideration for the intermission performances but no decision has been made.

Wahlquist Asks Budget Switch

President John T. Wahlquist announced Friday that he has made a bid for a five million dollar budget based on 8510 full-time equivalent students in 1955-56 rather than the four and one-half million dollar 7400 FTE plan contained

in Gov. Goodwin J. Knight's budget.

Dr. Wahlquist said that he had written a letter to John M. Pierce, state director of finance, stating that in view of the State Board of Education's decision on entrance requirements, San Jose State will have the higher full-time enrollment figure. An alternate budget using the 8510 figure was submitted in addition to the one now in the Governor's budget.

The higher budget will be submitted to the Legislature by the Finance Department without either recommendation or prejudice, according to information received by Dr. Wahlquist.

Dr. Wahlquist explained that it will "tax the ingenuity and facilities" of the college to accommodate the increased student body but expressed willingness to make the attempt if given the budget for it. The students would be handled through use of more extended day classes.

The 7400 budget would add 35 additional instructors to the present teaching staff while the more expensive plan would mean an increase of 55 teachers and more additions to personnel in other types of work at SJS.

Dr. Wahlquist commented that the decision upon which of the two budgets will be accepted rests with the members of the legislature.

Three Santa Clara County legislators have, within the past week, termed Gov. Knight's 7400 basis budget insufficient and one of them, Assemblyman Bruce F. Allen (R. San Jose) is reported readying a bill to restore minimum state college entrance requirements to the original five A and B high school grades.

The State Board of Education recently upped requirements to seven A's and B's as a stop-gap measure against ever growing enrollments.

Rush Activities Climax Friday

Rushing functions at campus fraternities are under way this week and will climax Friday when rushees pick up bids in Room 106.

The various houses are holding functions Monday through Thursday. On Friday between 1:30 and 4 p.m. the rushees pick up bids from groups they have visited. Then they decide which fraternity they wish to pledge.

Fourth parties will climax the winter rushing period tomorrow at all 10 national sororities on campus.

Each house will have two parties, one from 3:30 to 5 p.m., and a second from 7 to 8:30 p.m. Rushees are to wear dressy dresses.

Preference is Wednesday when the rushee submits in writing her first and second sorority choices at the CWC. Presents of the new pledges of each house will be Friday night.

Senior Class Positions Open

Nominations for a number of positions still open in the senior class are to be held when the class council meets Monday at 3:30 p.m. in Room 127, according to Pat Spooner, president.

Seniors interested in filling present vacancies on the council and council committees are urged to attend, he said.

Vacancies include senior orientation chairman, membership committee chairman, and a banquet chairman and committee for March and June graduation.

Latest developments of the Senior Ball are also slated for report and discussion, he said.

FRESHMEN

The Frosh-Soph Mixer "express" is expected to start rolling at this afternoon's Freshman class meeting, with the appointment of the various mixer committees and the over-all chairman of the event, according to Frosh President Don Ryan.

Individual committees will be named to handle such aspects of the mixer as rules, games, food, music, general entertainment, and decorations.

In addition, one person will be picked to coordinate the activities of all the committee chairmen.

JUNIORS

Prom preparations will head the agenda of the Junior class meeting this afternoon in Room 116 of the Speech and Drama building. Scheduled for a 3:30 p.m. gathering, the group will make further plans for a jazz concert to be held next month, according to Harrison McCreath, Junior class adviser.

SOPHOMORES

Sophomore class will meet today at 3:30 p.m. in Room 112, according to President Al Behr.

W. Gibson Walters

Orchestra Plays

The College Symphony Orchestra, under the direction of W. Gibson Walters, associate professor of music, will present a concert tomorrow night at 8:15 o'clock in the Music Building Concert Hall.

Five soloists, including guest artist Jack Russell, will present three different compositions seldom heard in this area, states Erik Petersen, assistant professor of music.

All This for One Date?

We've heard of some strange date arrangements in our travels about the campus world, but there's one of the most peculiar... and worthwhile... in progress right now that we've tripped over in a long time.

We ask you, how often does a gal have to hand over her spare change and write a super-duper letter to attend the Wintermist Ball... with a polecat? Just as unusual, how often is it that a struggle between several co-eds for the same date winds up profitably for some deserving person... other than the gal who wins?

Give up? So do we. We're just hoping that the girls on campus will give OUT with the items listed above and make a whale of a success out of this affair.

For details on it listen to Dick Garvin's Coffee Date at 9:15 on KLOK every weekday evening. Then send in those letters and contributions to the March of Dimes.

It should be nice for the winner to know while she is dancing with her polecat that she may have helped another to walk again.

The Coffee Grind

By JOE VOOT

Comment of the Week: Cute little sophomore out on coffee date with a senior, who had just returned to SJS after two years in the Counter Intelligence Corps, left the rather well-polished veteran somewhat flustered with this parting remark when saying good-night:

"My, you're pretty good for a beginner."

Why not? They have a game they play in the Coop when the lower den gets crowded and students runneth over. It's called "sharsies on the chairsies."

Coop Experts: Most common variety of expert in the Coop is the speech maker who can, at a moment's notice, become an authority on any subject.

My friend Kitty, for instance, is an expert on water skiing. The other day she went into long dissertation on places to ski, types of tows, use of knee action, starts, finishes and thrills of the sport. Her concluding statement? "Some-day I'm even going to try it."

Secret Leaked Out: My old buddy, Lonesome Polecat, says that some dirty bird must have let the cat out of the bag. As he walked into the Coop Thursday morning, a pretty little coed purred up beside him, wrinkled her nose and said, "Meow."

Coop Hit Parade: After long hours of diligent research in Coopology 1-A, I have compiled a list of the records played most often by fellow den dwellers. In order

of popularity they are:

1. Heart of Stone; 2. Mr. Sandman; 3. Earth Angel; 4. Make Yourself Comfortable; 5. Mood Indigo; 6. Mambo Italiano; 7. Teach Me Tonight; 8. We'll Be Together Again; 9. No More; 10. Muskrat Ramble.

If you're in the mood for a happy type progressive tune, try F-2 on the Coop juke-box, Lullaby of the Leaves.

(Ed. Note: This letter refers to the Registration issue of the Daily. Through an error it was withheld until this date.)

Publicize Rushing!

Dear Thrust and Parry,

We should like to call your attention to the omission of Panhellenic information concerning the forthcoming rushing season in Monday's Daily. This information concerned the official sign-up of interested rushees, on which the whole eligibility procedure of check-up on grades was based.

Request for such an article with pertinent data was given the Daily by the proper Panhellenic officers two weeks before the end of fall quarter. The omission of this information in the Monday edition may seriously jeopardize the entire rushing program.

The sorority faculty advisers regret the failure to get this rushing information to some three or four hundred girls who are desirous of qualifying for rushing, and we hope that the Daily will give full publicity to the rush procedures which have been established by the San Jose Panhellenic Association for this season.

Very sincerely yours,

Sakamoto Explains

Dear Thrust and Parry:

Attention Mr. Frizelle:

Just a point of clarification to you, the so-called confused student, about the "get tough" policy with campus advertisers. By this policy, I merely meant that for the first time the rules will be enforced. The degree of penalty is up to the student court.

What I meant by leniency is this: since the type of violation is very minor though important, I do not believe the penalty should overdo the violation.

I also believe that the issue has been over-publicized. Next to the Spartan Daily I believe posters are the best means of propaganda or publicity and I do not mean to kill this media of advertising. I only want to stress that there are rules on the procedure so let's follow them or change the rules.

If you, the students, feel there should be a change, then report this to your representative of our board.

So to conclude, Mr. Frizelle, I recommend that you get the facts first. In your letter you stated "roses, apples and other laurels to the editor."

Well, to you, Bill Frizelle, I give dandelions, rotten apples and other unfavorables.

Coach Uchida To Slate Two Cal Judo Matches

Yosh Uchida, SJS judo coach, expects to arrange two meets soon with the University of California, according to Ro Wauer, Spartan judoist and team publicist.

Dates of the other matches in which Spartan judoists may compete have not been fixed, Wauer said. They are the Japanese Collegiate All-Stars vs. the US College All-Stars matches and the Pacific Coast Intercollegiate Tournament which will be held at Berkeley.

The rest of the judo schedule

includes the Novice AAU White Belt Tournament here Feb. 5; Sacramento Invitational there Feb. 20; Stockton Invitational there Mar. 6; the Jr. AAU Tournament at the Berkeley YMCA Mar. 27.

The San Jose State Invitational for the state championships here Apr. 9; the promotional tourney at San Francisco Apr. 17; the Sr. AAU Tournament at the Palo Alto YMCA May 1; and the National AAU Tournament at Los Angeles May 27, 28 and 29.

In their only outings this season, the Spartan judoists won a pair of dual meets from Santa Rosa JC. The team will join the boxing squad for a benefit exhibition Feb. 9 at Capuchino High School in San Bruno.

Varsity members who competed in the previous meets are Win Dahl, second degree black belt; Bob McCorkle, first degree brown; John Sepulveda, first degree brown; Wauer, second degree brown; Jack Crawford, third degree brown; Jack Marlow, third degree brown; and John Perata, third degree brown.

Voshall and Rodriguez Win

Max Voshall scored a TKO over Gerald Dahl in the 170 lb. bout, and Northern California Champ Joe Rodriguez won a close decision over PCI Champ Vic Harris, 132 lbs., in the best match of the All-College Tournament Saturday night in the Men's gym.

Harris and Rodriguez spent most of their time during the three rounds slugging it out.

Another good match was between 139 lb. Jim Knickerbocker and Northern California Champ, Al White. In another slugfest, Knickerbocker was awarded a close decision.

In the 119 lb. class, Bob Harris won a close decision from Massey Utsonmyia; Al Julian decided Kim Kanaya, in the 125 lb. division; Johnny Johnson outpointed Melvin Stroud, a freshman, at the 135 lb. level.

Harry Barlow, 147 lbs., was in control most of the way, decisioning Paul Morgan, while at the 165 lb. level, freshman Ron Henry, utilizing a good body attack, outscored Henry Rojas.

The 132 lb. bout between Harris and Rodriguez kept the crowd excited all the way. Both boys had each other against the ropes several times. Rodriguez handled himself with much poise, fighting his way out of several tough situations. Harris also displayed the class which made him PCI Champ.

Gerald Dahl had Voshall outpointed when referee Jim Nutt stopped the fight late in the third round after Dahl had fallen to the canvas from a Voshall right.

Exhibition matches found Dave Martin and Gerald Ulrich displaying their talents; Jim Tormey and Don Lucas battled three rounds.

Wrestlers Pin Gator Matmen

After taming the San Francisco State Gators 29-5 Thursday in the Bay City, the Spartan wrestlers will entertain the Treasure Island Pirates and the Stanford Indians this week.

The Frosh wrestlers will meet the Navy grapplers Tuesday, while the Varsity will collide with Stanford. Both matches are slated for 8 p.m.

San Jose State lost only one match at San Francisco. Ed Tomassello, outstanding Gator heavyweight, pinned Ken Rugg in two minutes and 25 seconds.

In the other matches, Joe Is pinned Ed Simons in one and a half minutes of the 125-pound bout; George Lao copped a decision over Don Burbank in the 150-pound bout; Ben Fernandez pinned Jan Janofsky in two minutes and 43 seconds of the 157-pound match; Lynn Brooks defeated Bill Dorff, SFS captain, in the 147-pound bout; Tom McIntosh won over Bill Schmidt by a default in the 157-pound match.

Gus Talbot scored a decision over Ben Elkus in the 167-pound contest; Captain Dick Francis pinned Mickey Cohen in one minute and 45 seconds of the 177-pound duel.

San Jose State garnered nine out of 11 exhibition bouts. The other two ended in draws. Ken Simpkins, Chuck Hightower, and Russ Camilleri each pinned two men.

The exhibition results: Simpkins, 157, pinned Jan Dobson in 1:34 and Bob Lussig in 1:30; Hightower, 167, pinned Ted Dams in 2:30 and Bill Anderson in 5:35; Camilleri, 177, pinned Mike Turchanoff in 4:30 and Karl Wallace in 2:20.

Henry Lee, 191, pinned Tom Borogulus in 4:00; John Tierney, heavyweight, pinned Harold Atherton in 5:15; and Jerry Ruse, 191, pinned Bob Green in 2:35. Fred Tamm, 147, drew with Jose Angel, while Ron Phillips, 167, deadlocked with Claire Parsh.

Spartans Subdue Broncos, 47-40

By ROD LEE

Giving the Santa Clara Broncos a lesson in ball control basketball, the San Jose State Spartans upset their cross-town rivals, 47-40, Friday night in a California Basketball Association tilt in the Civic Auditorium.

The Spartans matched the Broncos' superior height with hustle in the first half and then played "keep away" in the second half.

Taking a two point lead, 31-29, with more than 15 minutes to play in the ball game, San Jose played a waiting game in an effort to pull the Broncos out of their zone defense.

The stall succeeded and the Spartans opened their lead to a 38-31 gap with 8½ minutes to play. Against a pressing man-to-man defense, San Jose matched Santa Clara point for point in the closing minutes.

Spartan Coach Walt McPherson praised Carroll Williams, Bud Hjeltn and Bob Chrisco for their play. Chrisco, a sophomore forward, tanked four field goals in

behind 3-0, the Spartans took the lead at the five minute mark and were never again topped. San Jose led at half time, 25-18.

Santa Clara tied the score once in the second half, 29-29.

In the preliminary game, the Santa Clara Frosh bested the Spartababes 77-70, despite 29 points by SJS guard Ed Diaz.

Men Gamble Enlistment On GI Benefit Survival

San Jose Air Force and Navy recruiting stations are doing a "land office" business this month with enlistees, many of them college students, rushing to enter the armed forces prior to Jan. 31.

The situation is "on again, off again" concerning the continued accrual of federal education benefits for those enlisting (or being drafted) and those currently in the services subsequent to the end of this month.

Initially, on Jan. 1, an executive order of President Eisenhower's cut off education benefits under the Korean GI Bill to those in the service and enlistees subsequent to the Jan. 31 deadline.

Now, Mr. Eisenhower, according to the United Press, has thrown his support behind a bill to let men now in the service continue to build up education benefits.

In addition, Air Force and Navy recruiters in San Jose said that many enlistees are entering the services this month on the "gamble" they also will be allowed the

education benefits.

M/Sgt. Harry Loomis, station commander of the Air Recruiting Station, said his enlistment rate has jumped about 500 per cent.

Chief Boatswain Mate George Gaupp, Navy recruiter, announced the number coming to inquire about enlistments and "just looking" has increased 300 per cent and enlistments are up 40 per cent.

Air Group Makes Office Nominations

Nominations for new officers were made at Wednesday night's meeting of the Arnold Air Society, according to Ken Simpson, commanding officer.

Robert Crockett, Norman Yiskis, and Joseph Jimenez were nominated for commanding officer; George Erhart and Robert DeLorenzo, executive; Arthur Simpson, operations officer; Scott Mize and John Lockhardt, adjutant; and Ronald Derbyshire and Joseph Jimenez, controller.

The elections will be held in two weeks.

A report was given on the AAS area conclave, held at Loyola, Dec. 17-19.

Brazilian Tortoise Comes to Campus

A Brazilian Giant Tortoise has just been added to the collection of reptiles on display in the Science building, according to Dr. Ralph A. Smith, professor of zoology.

The animal, commonly known also as the Red Footed Tortoise, arrived recently from Brazil.

This specie of tortoise makes the best pet, he explained. Dr. Smith also noted that it has become an English custom to keep tortoises as pets and the department has had many calls from interested persons asking about what kind are good pets.

Isle Appoints New Officials at Meeting

New officers appointed by President Roy Isle at Tuesday night's meeting of Chi Pi Sigma, SJS police fraternity, include Stephen Chesley, publicity director; Clarence Pheffer and Stanley Horton, pledge trainers.

Jack Crawford, Charles Bucher and William Christensen, rushing chairmen; Charles Bennett corresponding secretary; Robert LaBerge, records secretary; Tommy Lyons, Robert Underhill and Richard Caillouette, social affairs.

A new adviser will be announced within a few days, according to Stephen Chesley, publicity director.

Language Society Installs Officers

Winter quarter officers were installed Wednesday night by Iota Delta Phi, French honor society, at the home of Dr. A. B. Gregory, professor of languages.

Marty Martin assumed the office of president; Mary Menache was installed as vice-president; Eileen McBride was chosen secretary, while Nathalie Vaysie took over as the society's new treasurer.

CSTA Hears Educator Talk On Job Rise

Dr. William R. Rogers, professor of education, told of some of the advantages of the teaching profession in a talk before a meeting of the CSTA Thursday afternoon.

Commenting on the fact that there has been a steady decline of teachers the last three years, Dr. Rogers said "the profession has not been built up to appear as attractive as it really is."

"Where else can one receive three months vacation in which to study and train for a higher education position?"

Dr. Rogers also pointed out the fact that teaching affords a person the opportunity to travel and the satisfaction of seeing many of his pupils accomplish great things in the world.

"And," he concluded, "there is a great deal of personal fun obtained in teaching."

The next meeting of the CSTA will be Thursday afternoon.

Hillel To Welcome Students Tonight

A reception to welcome new students will be held tonight at 8 o'clock by the B'nai B'rith Hillel Foundation at Temple Emanu-El, according to Marian Rubin, publicity chairman.

Transportation to the temple, located at the corner of Myrtle and University avenues, will leave the Student Union at 7:30 p. m. Dancing and refreshments will be included in the evening's activities.

All interested newcomers are invited to attend.

Blue Key Work

The Blue Key Student Directory should be out by March, according to Paul Sakamoto. "Members have resumed work on the directory and we hope to issue it by March," he said.

More than 600 students dropped from school this quarter so we felt it would be just as easy to start from the beginning as to re-compile our information."

Zoology Class Sees Academy Turtle Display

Members of Dr. Ralph A. Smith's zoology 115 class visited one of the finest collections of land tortoises at the California Academy of Sciences Saturday, according to Dr. Smith.

There are 50 specimens of more than 20 species of tortoises from the Galapagos Islands off the coast of Ecuador in the collection, Dr. Smith, professor of zoology, said.

The few remaining tortoises on these islands are protected because their numbers were greatly reduced by whalers in the days before refrigeration. Whalers would catch the tortoises alive and keep them on their vessels as a live meat supply, Dr. Smith explained.
